

Summer Camp Scholarships

Do not let the cost of Summer Camp be a barrier to your family's participation.

It is Ithaca Children's Gardens policy to never turn anyone away because of inability to pay.

How to Apply for a Scholarship

The scholarship application is embedded in the registration form. When you fill out parent/guardian information it will ask if you're interested in applying for a scholarship. If you select yes, the scholarship form will appear on the next page.

Complete the scholarship form, select the camps you're interested in, and fill out the remaining information requested and then you will be taken to the payment page.

A \$30 deposit is required to hold your space in camp while we review your application. We will contact you within 3 business days with a revised camp fee and to discuss payment options.

If the \$30 deposit is a barrier to registering and applying for a scholarship please contact us (607-319-4203 or register@ithacachildrengarden.org) and we'll be happy to assist.

Scholarship Guidelines

Families that qualify for Federal Free Lunch receive 50% off the cost of camp.

Families that qualify for Federal Reduced Lunch receive 30% off the cost of camp.

However, we will review each application individually.

Please indicate on your application if you believe 50% or 30% off still proves a barrier to participation.

Free or reduced lunch qualification is not required for a scholarship. Personal circumstances will be taken into account.
