Dear Camp Parents,

Welcome to ICG Summer Camp!

A summer of fun and exploration is just around the corner! Whether your child is an experienced camper or this is their first time, we want ICG camp to be a positive and memorable experience for every child. Our well-trained staff is ready to do just that.

Please review this entire handbook, and talk with your child about what they can expect from their time at ICG camp. We hope this guide will help you answer any questions you or your camper may have. Please read and discuss the All Community Agreement on page 6 with your child. Sign and return to us on the first day of camp.

Thank you for entrusting your child to ICG this summer, where PLAY and connecting to nature reign supreme!

Sincerely,
Your ICG Summer Camp Team

We can’t wait to learn, work, & play with your child!
OUTDOORS ALL DAY
One of the things that makes Ithaca Children's Garden a unique and sought after summer camp is the beautiful, 100% outdoor experience your child is part of here. Situated on 3 acres of public garden including meadow, wetlands, wooded areas, and mixed terrain, your child will encounter many aspects of nature, including a variety of insects, plants, and other campers! Respect for animals, plants, and all other aspects of the environment - including each other -is the expectation.

WEATHER
Temperatures at ICG summer camp range from 50°F to 95°F. Please check the weather each day before camp, and send your camper with appropriate clothing and gear. If the forecast calls for rain, please send your campers with rain boots or waterproof footwear, a raincoat or poncho. Mornings can be chilly and a sweatshirt or light jacket might be needed. However, most days warm quickly and those cozy sweatpants soon become uncomfortably hot. Plan for layers that can be easily removed as the day warms.

WHAT TO BRING TO CAMP LIST
- A healthy camper
- Appropriate clothing for the weather
- Footwear that can get wet (e.g. water shoes or crocs)
- Dry change of clothes, in a labeled gallon-size ziploc bag, including socks & underwear
- One morning snack. ICG will provide an afternoon snack.
- Nutritious lunch
- One full water bottle
- Sunscreen (please apply before arriving at camp and bring along for reapplication mid-day)
- A towel
- Signed All Community Agreement (on Mondays)

PIZZA FRIDAY
Every Friday campers and staff make pizza on the grill for lunch. We'll provide dough, sauce, cheese, and toppings. Campers will be able to harvest additional herbs and toppings from the garden. If your child has a dietary restriction, they are welcome to bring gluten free dough, vegan or kosher cheese, or other items on Fridays. Check these in with camp staff in the morning so they can be labeled and added to the cooler. Although your camper might not need a full packed lunch on Fridays it is helpful for them to have some small items, piece of fruit, snack, some veggies, to round out their pizza meal.

CAMP TEES
Each camper will receive one complimentary ICG t-shirt. It can be chosen on the Wednesday of your first week of camp with ICG. Additional t-shirts can be purchased for yourself, siblings, and friends for $15 on Wednesday mornings.
A GREAT DAY AT CAMP
You may notice a great deal of flexibility and choice in our daily schedule. This is by careful design. Summer is a special and important time for children to explore, discover, and direct their own experiences. Play is an important vessel for learning, and we take it seriously!

CAMP CHECK-IN
We kindly request that your camper arrives by 9am each morning, as we structure the day with important transition time first thing. Once you arrive, please check your camper in at the registration table. A friendly mentor will greet you. Please use check-in to alert staff to anything that can help us best support your camper (changes in pick up routine, something that might be on your child’s mind, etc.) You may add your child to the aftercare roster during check-in (based on availability).
ENROLLMENT PROCEDURE
Enrollment for each week is contingent upon the following:
1. Completed 2019 Summer Camp Registration Form
2. Payment in full or a completed scholarship agreement
4. Immunization Records (or letter stating your choice not to immunize) & completed Health Form
5. Confirmation: we will confirm your enrollment for camp after receiving 1-4 listed above. Without confirmation, your child is not enrolled.

Drop-off and visitation policy
We want every child to feel comfortable and welcome at camp. Parents are invited, especially if ICG camp is a new experience, to support your child in making a smooth transition into camp. If your child benefits from more leisurely transitions, please plan to utilize the 8:30-9am period to help your child feel prepared for their day. We request parents say goodbye to their camper by 9am with encouragement for a wonderful day at camp. Although campers are typically delighted to say goodbye to their adult and hello to their camp friends, if you find your child is requesting more of your presence than this time allows after the first day, please contact the camp director.

The ICG camp day is structured to provide total care and enrichment for your child with your child’s safety, wellbeing, and development in mind. It can be confusing and sometimes stressful for children to have parents drop in without notice. If you anticipate a need to visit the site during the day, please alert the camp director.

Cancellation & Refund Policy
Should you need to cancel your camp registration, please be advised of the following refund structure:
Cancellations made by MARCH 15 will receive a full refund, minus a 20% administration fee.
Cancellations made by APRIL 15 will receive a 50% refund.
Cancellations made by MAY 15 will receive a 25% refund.

No refunds will be granted after MAY 15 with the exception of cases of serious illness or injury, and this request must be accompanied by a physician's note. A camper who does not arrive, arrives late, leaves early, or attends only a part of the session will not receive a refund. If a camper is experiencing a difficult adjustment to camp or is sent home because of a behavior problem, no refund will be granted. ICG refunds all payments for enrollments cancelled by us, unless otherwise noted above. Refunds will not be granted to weather-related cancellations.

Late Pick-up Policy
If your child remains in our care beyond the designated pick-up time, we reserve the right to charge for the additional supervision costs incurred. The cost is $15 for each fifteen minute increment or portion thereof. By signing this form you agree to pay late pickup fees.

COME PREPARED
Required items are listed on ICG's Summer Camp “To Bring List” (page 2): For the health of your camper, and to facilitate a high quality camp experience, we provide a list of required items that your child must bring each day of camp. Your detailed attention to this list will facilitate a positive camp experience for your child, and for the whole group. If your child arrives without the required items, he or she may be sent home. We have found there is a direct relationship between how prepared a child is and how well they adjust to camp.

**All Community Agreements** are given to families and children before ICG program begins. We want all of our participants to have a rich, rewarding, enjoyable experience. These simple guidelines provide a safe and supportive environment for youth and staff to make the most of their time together. Parents are asked to share and discuss these with their children before the first day of program. ICG camp is a community!

1. **Respect yourself**
   - Stay with your group and respect any guidelines given by instructors.
   - Make smart choices to keep you and others safe.
   - Ask for what you need – be clear about what that is and then let an instructor or fellow participant know how they can help.
   - Enjoy yourself and the experience!

2. **Respect each other and each other’s property**
   - Be kind, in word and action. Name calling, put downs, and threatening language/actions are not acceptable.
   - Keep your hands to yourself – unless part of a mutually accepted activity, keep respectful space between you and other campers, as well as their property.
   - When the instructor is speaking, give him or her your full attention. This is essential for the enjoyment and safety of all participants.
   - Enjoy each other and the experience!

3. **Respect the Environment**
   - Take care of the land, living things, and materials.
   - Leave an area in better condition than you found it.
   - Enjoy the earth and the experience!

**Consequences for Breaking Camp Agreements**

1st chance: Camper will have a reminder and review this Agreement with a staff member. Will have a cool down period if warranted.

2nd chance: Camper will talk with Camp Director and parent will receive a phone call.

3rd chance: Parent, Camp Director, and camper will have a meeting and camper may be removed from camp. No refund will be given.

I have read the All-Camp Community Agreement and shared the information with my child:
